Istanbul

Love of Continents

It is Istanbul's endless variety that fascinates its visitors. The museums, churches, palaces, grand mosques, bazaars and sites of natural beauty are countless.

As relaxing on the western shores of the Bosphorus at sunset and watching the red evening light reflected on the other continent, you may suddenly and profoundly understand why so many centuries ago settlers chose to build a city on this remarkable site. At such times you can see why **Istanbul** is truly one of the most glorious cities in the world.

ABOUT ISTANBUL JEWELRY SHOW

Istanbul Jewelry Show is used to be a comprehensive marketplace for international jewelry community and professionals. The ever-growing number of participants and attendants accompanied by the value-added trade show services have created a unique business environment in one of the fastest developing regions of the world. Istanbul Jewelry Show, which organized by Informa Markets, is a specialized exhibition that can be visited only by jewelry professionals and held twice a year as March and October Shows. Istanbul Jewelry Show - March 2022 which is the 51st edition of Istanbul Jewelry Show, will be held at Istanbul Fair Center, CNR Expo on 24-27 March. In every year, the show is one of the greatest meeting point where the newest designs for the sector are exhibited. The show can only visited by jewelry sector professionals. In addition to the high security measures taken during the exhibition, visitors who under the age of 15 are not admitted.

Why Istanbul Jewelry Show?

- Source High Quality Products at Affordable Prices
- Examine the jewelry of the exhibitors and discover the trends for 2022 & 2023
- Experience the production center and ease of location at a single point. Rapidly access your ordered products.
- Extensive range of exhibits: fine jewelry, diamonds, gems, watches, packaging, machinery and so on.
- Whole industry at one stop: manufacturers, wholesalers, suppliers, retailers, designers.
- Jewelry of any origin: Especially Turkey, Hong Kong S.A.R. China, Italy and many other countries,
- Business-to-business platform: only trade buyers and decision-makers are admitted.
- Perfect timing for sourcing thousands of new products and latest styles in jewelry and watch industry.
- A worldwide distribution hub to build business and sales contacts with Turkey, Europe, Eastern Europe, Middle East, Russia, CIS countries and North Africa.
- The ideal place to source products on every category of price and quality.

Ten Priority Commitments at all Informa Events

Post COVID-19, all Informa events will be run in accordance with the AllSecure standard, applying the full range of recommendations wherever applicable and possible, but with a commitment to ten key priorities:

Cleaning and Hygiene

1 ENHANCED CLEANING: All events will undertake enhanced, deep cleaning before, during and after our events, working with venue partners to ensure the highest standards of hygiene and cleanliness. This includes continuous sanitisation throughout the course of an event, with a focus on high-touch areas such as door handles, restrooms and food and beverage areas.

2 PERSONAL HYGIENE: All events will provide additional hand washing facilities and hand sanitising stations throughout the event space, encouraging all participants to regularly wash and disinfect their hands.

Physical Distancing

3 NON-CONTACT REGISTRATION: All events will employ a system that facilitates non-contact registration for participants, including the availability of online registration.

4 PHYSICAL CONTACT: All events will request that participants avoid physical contact, such as hand shakes and embraces, promoting alternative ways to greet business partners. The exchange of printed materials, such as business cards and sales brochures, will also be discouraged, with digital alternatives recommended.

5 PHYSICAL DISTANCING: All events will maintain a density of participants in line with local authority guidance. In the absence of local guidance, a minimum of 1-1.5 meters (or 3-4.5 feet) is recommended. This will be managed through one or more control measures such as pre-show communications to participants, a one-way traffic system around show floors, staggered entry times, on-site signage and floor markings and on-site social distance ambassadors.

6 FOOD AND BEVERAGE STATIONS: All event teams will work closely with venue partners to employ the highest standard of food safety, minimising self-service buffets in favour of pre-packaged food options. If any queuing is anticipated, social distancing will be maintained through the use of floor markings and relevant signage.

Detect and Protect

7 PERSONAL PROTECTIVE EQUIPMENT (PPE): Participants at all events will be asked to wear a face mask on entry. Further items of PPE, such as gloves and eye screens, will be used by participants and staff if appropriate, in line with local government and health authority advice.

8 FIRST AID: All events will have access to a qualified first aider and a separate quarantine area if possible. Participants will be asked not to attend if they are feeling unwell, and teams will follow local health authority guidance on detecting and managing anyone who displays symptoms of COVID-19.

9 SCREENING: All events will follow relevant health authority guidance on screening participants. This may include checking the temperatures of everyone on entry, through thermal scanning or other screening processes.

10 TRACE AND CONTACT: Should it be necessary, we will work with local authorities to trace and contact participants at our events, subject to local privacy regulations.
